MEMORANDUM FOR: Chief, Management Staff

SUBJECT: Extract from a Recent Memorandum for the
Record Written by the DD/A

"I talked to General Cabell about ceilings. I told him that the Director's Reserve was gone. Inasmuch as our on-duty strength is below ceiling, I indicated to him that I felt the Director's Reserve inadequate anyway, and I proposed to approve T/O's where I thought the justification adequate. We will adjust ceilings when we have an opportunity to study overall ceilings. (The Management Staff is in the process of doing this.)"
